

30th January 2018

Sirs,

A43/A422/Oxford Road Roundabout, Brackley

Further to previous notification letter of 19th December 2017 we confirm that the works to improve and signalise the A43/A422/Oxford Road Roundabout, Brackley, commenced earlier this month.

The first road closures are scheduled to occur during the period Monday 5th February to Tuesday 13th February 2018 to allow the safe installation of pipe crossings of the carriageways for drainage and electrical circuits for the new street lighting and traffic signals. To minimise disruption only one section of road at a time will be closed. All the closures will be at night time between 20.00hrs and 06.00hrs. The closures are:

- Monday 5th February 20.00hrs to 06.00hrs: A422 from the A43/Oxford Road Roundabout to the Banbury Road roundabout (to the west of Brackley) in both directions. The A43 roundabout, Oxford Road and the A43 both northbound and southbound will remain open
- Tuesday 6th February 20.00hrs to 06.00hrs: Oxford Road between the A43 roundabout and the Tesco/ Reynard Park roundabout. The A422, the A43 roundabout and the A43 both northbound and southbound to remain open.
- Wednesday 7th February and Thursday 8th February 20.00hrs to 06.00hrs: A43 northbound from the Evenley roundabout to the Oxford Road roundabout and from the Oxford Road roundabout to the A422 Buckingham Road roundabout. The A43 roundabout itself will be open as well as to the A422, Oxford Road and the A43 southbound.
- Friday 9th February and Monday 12th February 20.00hrs to 06.00hrs: A43 southbound from the Buckingham Road roundabout to the Oxford Road roundabout and from the Oxford Road roundabout to the Evenley roundabout. The A43 roundabout itself will be open as well as to the A422, Oxford Road and the A43 northbound.

Rest assured, Emergency services (i.e. Fire Brigade, Ambulance and Police as well as Special Forces vehicles) will be allowed access during the works if required to ensure the safety of the general public.

Thank you in advance for your patience as these works progress

If in the meantime you have any questions about these works please do not hesitate to contact us at the email address below.

Yours sincerely
