Dear Sir or Madam

**NOTIFICATION OF ESSENTIAL SAFETY SCRIM OVERNIGHT RESURFACING
WORKS
A43 Padbury / Baynards Green and Cherwell Roundabouts**

I am writing to let you know that we will be carrying out essential resurfacing work at A43 Padbury / Baynards Green and Cherwell Roundabouts (south of Brackley). The works are due to commence after the resurfacing of the A43 southbound A413 to Whitfield pavement section and are programmed to start on the 1st March.

During our comprehensive scheme of work on the A43, we will be carrying out 50mm thick resurfacing on the gyratorys (and some works on the approaches and departures) of Baynard Green and Padbury Brook Roundabouts. Also, renew road markings on Cherwell Roundabout.

Once completed, all road users will benefit from improved road safety and a smoother driving experience.

When will the work take place?

Work is due to start early **March 2021** and is scheduled for completion by **April 2021**.

To keep our programme for these works as short as possible and to minimise disruption to the local community, we will work **Monday – Friday** between **8pm** and **6am**.

Please note that all our planned works are subject to change due to weather conditions or unforeseen circumstances, such as clashes with other emergency work on the diversion routes.

How will the work affect traffic?

To maintain a safe environment for our workforce and motorists, we will need to use a mixture of lane and full carriageway closures while we work.

During all road closures we will put in place fully signed diversion routes which have been agreed with the Local Authority. All carriageways will be open, as usual, outside our working hours.

If you would like further information regarding the different phases or request diversion route drawings, please contact us so we can explain them in greater detail.

How will the work affect businesses and residents?

We will make sure that access to businesses and residences is maintained wherever possible.

We will also have a dedicated Public Liaison Officer on hand to answer any questions.

Covid-19 Impact on essential road users

All our sites have strict safeguarding measures, in line with Public Health England guidance, to prevent the spread of COVID-19 and none of our sites are open to the public. All construction projects are closely monitored, and the situation is kept under constant review.

This scheme of work is essential to the strategic road network, however if you have any concerns about the impact our work may have on essential supplies during these unprecedented times then please contact us.

Contact Us

If you have any questions about this work, please contact our **Public Liaison Officer**, Leanne Gibson, as follows:

- Email: EMADcomms@kier.co.uk
- Telephone: 07768 796542

Alternatively, you can contact our Highways England Customer Contact Centre as follows:

- Email: info@highwaysengland.co.uk
- Telephone: 0300 123 5000

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

Yours faithfully,

Simon Wagstaff CEng MCIHT
Project Manager
Highways England
