

High Street, Brackley – Traffic Signal Improvement Works

Start date – Monday 4 April 2022 **Completion** – Friday 6 May 2022

Scheme type – Traffic signal upgrade at junction of High Street and Buckingham Road.

Traffic management – during the delivery of the project traffic management will consist of 24 Hour temporary traffic management (multi-phase signals)

Hours of work – 08:00 – 17:00

What we are doing/the benefits – Northamptonshire Highways will soon start traffic signal improvement works on High Street and Buckingham Road. Works include renewal of the existing traffic signals and renewal of road markings. These works will improve future traffic flow at the junction of High Street and Buckingham Road.

Delivering high quality, sustainable transport and highway services in Northamptonshire

Brackley High Street – Traffic Signal Improvement Works

Information for residents

Access & Egress: access and egress for residents during the delivery of the project will not be affected; however, some of the parking bays on High Street will be suspended to accommodate the temporary traffic management.

Businesses: We ask that, during the works, people park legally on the nearest side street and walk to any businesses affected by the temporary traffic management. Any scheduled business deliveries are to agree times with the site team prior to arriving.

Pedestrians & Cyclist: During the works; unfortunately, pedestrians and cyclist will be affected. There are temporary pedestrian crossings and pedestrian marshals on site to assist pedestrians and cyclists when crossing. Cyclists using the carriageway must comply with the Highway Code.

Public transport: will not be affected but; regrettably, there will be prolonged delays. Please allow additional time when travelling through High Street.

Contacting us - To ensure we deal with all enquiries and defect reports correctly, please use our online public reporting service, Street Doctor. This process ensures issues are recorded and dealt with appropriately. Once reported you will be issued with a unique reference number and be able to follow the progress of your enquiry.
