

Notice of overnight road closures, A43, Brackley BP roundabout to the Syresham junction

April 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. EKFB is working in partnership with HS2 Ltd to build the new high speed railway in your area.

What are we doing?

This spring, we will begin construction on a temporary diversion of a section of the A43. This diversion is required so that we can build the new A43 Overbridge that will carry traffic over the HS2 railway line. We will soon be installing narrowed lanes on the southbound and northbound sides of the A43, along with road safety barriers. These narrowed lanes will remain operational into winter.

In order to carry out these works safely, there will be overnight closures of the A43, spread across three weekends. The lay-bys on the southbound side of the A43 will also be closed from Friday 28 April for approximately five weeks, allowing us to coordinate our plant and machinery for the overnight closures. The lay-by located opposite Illets Farm will remain closed for the duration of our works while we build the A43 Overbridge. For the safety of road users and our workforce there will also be speed restrictions on this section of road.

Once the narrowed lanes and safety barriers are installed, the main works to construct the temporary diversion will commence. We will continue to collaborate with National Highways and update local communities on the progression of our works.

When will these works take place?

The A43 southbound will be fully closed overnight, from the Brackley BP roundabout to the Syresham Junction, from 8pm to 6am on:

- Saturday 29 April
- Sunday 30 April
- Saturday 13 May

The A43 northbound will be fully closed overnight, from the Brackley BP roundabout to the Syresham Junction, from 8pm to 6am, on:

- Saturday 20 May
- Sunday 21 May

Periodic overnight lane closures will continue along this section of the A43, northbound and southbound, allowing us to progress our works for the temporary diversion of the A43.

These works are subject to consents.

Where will the works take place?

The map below, shows the section of the A43 that will have overnight road closures from the Brackley BP roundabout to the Syresham Junction, over three weekends, one in April and two in May. The diversion route is via the A421, A422 and A5.

In addition to this notice, the road closure information will also be communicated through traditional road signage as well as electronic signage. These signs will be located in strategic locations and placed in a safe location. We would remind all road users to plan their journeys, allow more time and follow the signed diversion routes.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk
