Notice of overnight road closure, Radstone Road, Radstone

May 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In early June, we will be carrying out some overnight topographical surveys of Radstone Road, sometimes known as Brackley Road. These surveys will help us to finalise the design of the new railway.

A topographical survey is an exercise undertaken by land surveyors using highly specialised survey equipment. These surveys provide detailed maps of land, identifying both natural and man-made features within a specified area.

To carry out these surveys safely and effectively, we will need to put in place a road closure with signed diversions. This is for reasons of safety, as our staff will be working directly in the carriageway.

When will these works take place?

A section of Radstone Road will be closed overnight between 8.30pm and 5.30am on Monday 5 June to Tuesday 6 June 2023.

Access will be maintained for emergency services.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
