

Notice of temporary road closure, Brackley Road, Radstone

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

As part of our continued preparatory works for the Radstone Road Overbridge and the Brackley Cutting we will temporarily be diverting an existing culvert located beneath a section of Brackley Road, also known as Radstone Road.

Due to the exceptionally wet weather in early March, we were unable to complete our works along Brackley Road. To finish the diversion of the culvert, it is now necessary to extend our original closure by one week. We apologise for any inconvenience this may cause and will work to reopen the road to reduce disruption as soon as possible.

For reasons of safety and due to the nature of the works, which will include open trenches across the road, we are required to fully close this section of road, 24 hours per day for approximately ten days. Access to Radstone will be from the B4525 and the A43.

This is for the safety of road users and our staff.

When will these works take place?

A section of the Brackley Road, also known as Radstone Road, will be fully closed, 24 hours a day, from Monday 6 March to Friday 24 March 2023, with a diversion in place; these works are subject to consents.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk
