What we are doing / the benefits – Northamptonshire Highways are scheduled to carry out some essential repairs to the culvert located on A422, Farthinghoe.

Traffic Management Traffic Management To maintain the health and safety of the workforce and the public the works will be carried out under a full road closure. The plan opposite shows the road closure in **red** and diversion route in **blue**. The onsite team will also be positioned at the road closure gates to assist pedestrians, cyclists and emergency vehicles where required.

What about parking? During the works, please do not park blocking the access route for cars and pedestrians. Please park safely and legally elsewhere.

During the works:

Access: There are no residences and businesses on the closed section of road. However, to get to your business or residence, we ask that you use the diversion route to plan your journey accordingly.

Pedestrians: Access will be maintained when safe to do so.
