

Notice of road closure, Radstone Road

October 2020 | www.hs2.org.uk

Notification

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance.

Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk

What will be doing?

Throughout this year we have been installing fencing around land that is required for the construction of the railway in the area between Greatworth and the A43. To undertake further fencing works we need to put in place a two day highway closure of Radstone Road. This is to safely undertake hedgerow removal and construct a new field access. Following the forming of this new entrance the road will be reopened and the access then used to undertake further fencing works.

The road closure will be in force between 10am – 4pm on Monday 12 October and Tuesday 13 October.

Once we have created this access, we will conduct utility surveys and following the results we will then install further fencing.

Details of the road closure and diversion route of the Radstone Road can be found on the map enclosed.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Radstone Road closure
12 and 13 October 2020
for fencing works
during November 2020.

Normal working hours:

Monday to Friday 8am –
6pm.

Our contractors may
also be on site for one
hour's start-up and
shutdown outside of
these times.

What to expect

Some additional traffic
on local roads.

Road closure and
diversion in place.

Some noise from the
equipment used for the
works.

Site storage and
welfare vehicle.

What we will do

Manage any impacts,
such as traffic and
noise with the aim of
reducing or removing
them.

Notification

www.hs2.org.uk

What will we be doing? (continued)

To notify road users of the upcoming road closure, advance warning signs will be erected in advance of the closure.

The diversion signage will remain in place for the duration of the road closure from the 12 to 13 October 2020. These signs will be mounted on standard verge located A frames and secured with ballasted sandbags.

The diversion routes for the road closure can be viewed on the next page or alternatively found at www.hs2innorthants.co.uk

Access to site

Following the entrance construction access to the worksite will be set up to the west of the Radstone Road, as indicated in the enclosed map. Signs will be erected in the area to warn motorists of vehicles using this access.

Works access signage will remain in place for the duration of the fencing works in this area.

When will these works take place?

Phase 1 Hedge removal works with road closure will take place between 12 – 13 October 2020.

Phase 2 Survey and assessment work will be complete by the end of October 2020

Phase 3 Fencing works will begin early November and last until mid to late November 2020.

How may this affect you?

We will be working hard to ensure any impacts on residents are kept to a minimum during these and all our future works. You may notice a little extra traffic on the road immediately around the sites with workers and delivery vehicles moving to and from the site. There may be some noise from the machinery. All machinery will be restricted to running between the hours of 8am to 6pm Monday to Friday.

For this stage of works we will not be closing any Public Rights of Way.

During the road closure emergency services through access will be granted.

For further updates about these works and HS2 in general, please visit www.hs2innorthants.co.uk where you can sign up to news alerts.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
