

Street Watch/School Watch Recruitment

Wednesday the 1st April 9am – 1pm

The Town Hall & Tesco, Oxford Road, Brackley

Street Watch is about you and your neighbours working together to keep your area safe.

Simply walking around in your own neighbourhood, talking with your friends and neighbours and other local people can do that.

If you were to volunteer with Northamptonshire Street Watch you would patrol your local area for a minimum of 2 hours every month at times that suit you. You will patrol in pairs and will wear high visibility Street Watch jackets.

School Watch/School Pastors will patrol outside of schools at peak times (mainly afternoon) offering children a friendly face to talk to, someone to offer support and guidance, prevent or deter instances of bullying, any other violence, drug taking etc., and allow children to feel safe on the way home.

Come along for more information, to sign up or to chat with a local police officer
